ANIRBAN MUKHERJEE

Front end Designer | Developer

Career Objective

I want to get an opportunity where I can make the best of my potential and contribute to the organization's growth. I am seeking a job in IT industry where fresh talent would enhance operations and go above & beyond the requirements of the position I would hold.

About Me

An enthusiastic fresher with highly motivated and leadership skills having bachelors degree in Computer Application. Eager to learn new technologies and always willing to innovate the new things which can improve the existing technology.
